

492 DRAFTTEES OF D. C. READY FOR ENTRAINMENT APRIL 28

Men Under Call 146 Will Assemble on This Date Preparatory to Leaving for Camp Meade—White Men on April 29, Colored Troops Next Day.

Pursuant to orders of Provost Marshal Gen. Crowder, 417 young men eligible for service in the new draft, will leave the District on Monday morning, April 28, and enroute for Camp Meade. On the following day, twenty-five young colored men, also of the new draft, will be sent to the same camp. The first-named quota comprises the largest entrainment heretofore made from this city, the number of men going at one time never exceeding 100 in the past.

Induction Orders Mailed.
In his latest call on the District for men of the new draft, Provost Marshal Crowder ordered that they be inducted into military service and entrained between April 28 and 30, and Adj. Gen. Daniel J. Donovan has completed plans to do this on the two dates mentioned.

Orders of induction were mailed yesterday to each of the 492 men. They were ordered to report at the City Postoffice Building, North Capitol street and Massachusetts avenue at 8 o'clock Sunday evening, April 28, at which time they will be formally inducted into military service and given instructions and formations by the local boards.

A leader from amongst the men who will act as commanding officer of the outfit until it reaches Camp Meade, will be chosen by Adj. Gen. Donovan. One assistant leader for each of the local boards will be chosen by the men themselves.

May Go Home for Night.
Following this, the men will be permitted to return to their homes until next morning, when they will be marched to the Union Station for entrainment to Camp Meade.

The seventy-five colored men of the new draft, will report at the city postoffice at 8 o'clock Monday evening, April 29, when the same proceedings will be gone through as on the previous day.

Special attention is directed by the Provost Marshal's office to what the men are permitted to take with them to the camp. Nothing but the following are allowed: Light hand baggage or bundles containing toilet articles; one extra pair of shoes, not more than four extra suits of underclothing; six pairs of socks, if desired; one woollen blanket of a dark or neutral shade, all to be tightly rolled.

Names of Draftees.
Following are the names of the 492 men composing the new draft, from the District of Columbia, under call No. 146, as announced by D. J. Donovan, Adjutant General for the District of Columbia:
